

CANCER INSTITUTE NSW COMPETITIVE GRANTS CALENDAR 2010

N.B: this calendar is subject to change at the discretion of CINSW

Round 1

Type	Open	Close	Funding Commences	Guidelines	Application Form
RESEARCH					
<p>❖ Research Equipment Grants - small (REG) <i>One off grants to support the purchase of equipment for which there is a clearly demonstrated need, the equipment is likely to substantially improve research productivity and is reasonably accessible to other cancer researchers through innovative sharing arrangements (between \$50,000 and \$500,000)</i></p>	1/3/2010	9/4/2010	1/07/2010	Avail. 1/3/10	Avail. 1/3/10
<p>❖ Research Scholar Awards (RSA) <i>To provide funding opportunities to develop and support outstanding students (who hold a primary scholarship) enrolled in a higher degree who have the potential to develop highly significant careers in cancer research (max \$25,000 p.a. x up to 3 yrs)</i></p>	1/3/2010	9/4/2010	1/10/2010	Avail. 1/3/10	Avail. 1/3/10
<p>❖ Translational Program Grants (TPG) <i>Supporting multi-disciplinary approaches to cancer research that will rapidly translate research discoveries into clinical programs or policy (max \$750,000 p.a. x 5 yrs)</i></p>	1/3/2010	9/4/2010	1/10/2010	Avail. 1/3/10	Avail. 1/3/10
<p>❖ Clinical Research Fellowships (CRF) <i>Aimed at strengthening and supporting clinical research in hospitals by providing opportunities for cancer clinicians to develop and sustain long-term careers in clinical research (max \$250,000 p.a. x 3 yrs)</i></p>	1/3/2010	9/4/2010	1/10/2010	Avail. 1/3/10	Avail. 1/3/10

CANCER SERVICES & EDUCATION

<p>❖ Supportive Care Intervention Program (SCI) <i>3 – 4 years funding to design, implement and evaluate a cancer outpatient health service intervention in NSW cancer services through collaborative partnerships between NSW academic institutions and clinical cancer services focusing on distress screening and integrated supportive care. (max \$3,000,000 over the period of grant)</i></p>	1/3/2010	9/4/2010	1/10/2010	<p>Avail. Now Click for: Guidelines E09/22627 FAQ's E09/22551</p>	Avail. 1/3/10
<p>❖ Conference Grants (TRG) <i>To provide funding support to health professionals working in the area of cancer services and who have submitted abstracts to national or international conferences and seminars related to cancer management and supportive care. (max \$5,000 International & \$2,000 Australia)</i></p>	1/3/2010	9/4/2010	1/10/2010	Avail. 1/3/10	Avail. 1/3/10
<p>❖ Registrar Grants (RGS) <i>Provides an opportunity for advanced trainees in an oncology related discipline to undertake training with a particular emphasis on surgical oncology and pathology in the metropolitan Area Health Services and to participate in oncology related disciplines as part of a rural/metropolitan partnership in Area Health Services in NSW (max \$120,000 + oncost p.a. x 2 years)</i></p>	1/3/2010	9/4/2010	1/01/2011	Avail. 1/3/10	Avail. 1/3/10
<p>❖ Clinical Study Grants (INS) <i>Grants to enable medical, psycho-oncology, radiotherapy, allied health and nursing staff to travel abroad for up to three months to visit centres of excellence in their field of practice with clinicians demonstrating best practice. (max \$20,000)</i></p>	1/3/2010	9/4/2010	1/10/2010	Avail. 1/3/10	Avail. 1/3/10
<p>❖ Primary Care and Cancer Specialist Shared Care Model (SCM) <i>To develop, implement and evaluate a shared care model as a pilot over a three year period. Evaluation of the pilot will also need to examine requirements for sustainability and generalisability to other parts of NSW. (max \$100,000 p.a)</i></p>	1/3/2010	9/4/2010	1/10/2010	Avail. 1/3/10	Avail. 1/3/10

Type	Open/Close	Guidelines	Application Forms
RESEARCH LEADER & FUTURE RESEARCH LEADER PROGRAMS (RLP & FRL)			
<i>These 5 year grants aim to strengthen cancer research capacity by funding new high level academic posts and supporting outstanding research teams in NSW hospitals, universities or other institutions. These grants are to attract outstanding research leaders and future leaders from interstate and overseas, and enable them to build a core team in NSW.</i>	Rolling	Avail. Feb 2010	Avail. Feb 2010

Round 2

Type	Open	Close	Funding Commences	Guidelines	Application Form
COLLABORATIVE – CANCER SERVICES & EDUCATION AND RESEARCH DIVISIONS					
❖ Translational Health Service Research Grants (THS) <i>2-3 year grants to further develop health service research capacity in NSW cancer services through collaborative partnerships between NSW academic institutions and clinical cancer services focussing on improved and innovative models of cancer service delivery (max \$200,000 p.a.)</i>	19/07/2010	27/08/2010	1/01/2011	Avail. 19/07/2010	Avail. 19/07/2010
RESEARCH					
❖ Research Innovation Grants (RFG) <i>One year funding to allow researchers to establish data, proof-of-principal or an important research concept to promote innovation and expertise in NSW cancer research (max \$50,000)</i>	19/07/2010	27/08/2010	1/01/2011	Avail. 19/07/2010	Avail. 19/07/2010
❖ Clinical Trials Nurse & Data Manager Grants (CTN) <i>Provide funding to support the employment of dedicated staff for the conduct of cancer trials across NSW</i>	19/07/2010	27/08/2010	1/07/2011	Avail. 19/07/2010	Avail. 19/07/2010

❖ Early Career Fellowships (ECF) <i>3 year fulltime Fellowships to provide salary and project support to encourage the very best researchers (up to five years postdoc) to choose cancer research as their career and to continue independent research that is nationally and internationally competitive (max \$200,000 p.a. x 3 years)</i>	19/07/2010	27/08/2010	1/01/2011	Avail. 19/07/2010	Avail. 19/07/2010
❖ Cancer Epidemiology Linkage Grants (EPI) <i>3 year grants to provide research opportunities for data linkage studies using the centre for Health Record Linkage (CHeReL) to show how and where cancer outcomes and cancer services can be improved (max \$100,000 p.a.)</i>	19/07/2010	27/08/2010	1/01/2011	Avail. 19/07/2010	Avail. 19/07/2010
CANCER SERVICES & EDUCATION					
❖ Clinical Training Fellowships (CLF) <i>Provide support for newly qualified oncology specialists, and early career (post masters) allied health and nursing professionals to enhance and add depth to their clinical practice, expertise and understanding and implementation of evidence based practice through further training experience under the mentorship of a senior cancer clinician who is expert in their chosen specialty of oncology (Salary support plus minor establishment costs & conference expenditures)</i>	19/07/2010	27/08/2010	1/01/2011	Avail. 19/07/2010	Avail. 19/07/2010
❖ Conference Grants (TRG) <i>To provide funding support to health professionals working in the area of cancer services and who have submitted abstracts to national or international conferences and seminars related to cancer management and supportive care. (max \$5,000 International & \$2,000 Australia)</i>	19/07/2010	27/08/2010	1/04/2011	Avail. 19/07/2010	Avail. 19/07/2010
❖ Education Scholarships (EDS) <i>These grants are designed to provide cancer health professionals working in oncology access to post-graduate studies (max \$20,000 in total)</i>	19/07/2010	27/08/2010	1/01/2011	Avail. 19/07/2010	Avail. 19/07/2010
❖ Clinical Study Grants (INS) <i>Grants to enable medical, psycho-oncology, radiotherapy, allied health and nursing staff to travel abroad for up to three months to visit centres of excellence in their field of practice with clinicians demonstrating best practice. (max \$20,000)</i>	19/07/2010	27/08/2010	1/04/2011	Avail. 19/07/2010	Avail. 19/07/2010
