2. OVERVIEW OF CANCER INSTITUTE NSW RESEARCH PROGRAMS GUIDING PRINCIPLES, PRIORITIES AND CRITERIA

INTRODUCTION

The Cancer Institute NSW is Australia's first state-wide, government supported cancer control agency. We are saving lives through promoting the best cancer research, prevention, early-detection, and treatment and education initiatives. The Cancer Institute NSW is driving innovation in cancer care in New South Wales by working in partnership with the leaders in our field to deliver the best cancer results for the people of New South Wales.

Cancer research will provide the evidence that will drive rapid improvement in cancer prevention, treatment and the subsequent improvements in survival and quality of life of cancer patients. The cancer research supported in NSW must be performance driven and deliver meaningful and highly significant outcomes.

STATE CANCER RESEARCH PRIORITIES

The State Cancer Research Priorities are embodied within the research philosophy of the NSW Cancer Plan 2007-2010 and the aims of the Cancer Research Program are to:

- Support cancer research that can be quickly translated into benefits for cancer patients, for the prevention of cancer or its early detection.
- Recruit and support researchers in NSW to become more skilled and more internationally competitive.
- Provide enabling infrastructure to improve international competitiveness and relevance.

Initiatives for 2007-2010:

- Translational Research Program
- Research Careers Program
- Cancer Research Infrastructure Program
- Clinical Trials Research Program

CRITERIA OF THE CANCER RESEARCH PROGRAMS OF THE CANCER INSTITUTE NSW

The Cancer Institute NSW is committed to pursuing and supporting excellence and innovation in cancer research as a key method to improve cancer outcomes in NSW.

Applications in each of the programs will be reviewed and supported based on the specific criteria for each program and their adherence to the following broad criteria:

- Programs that are consistent with the State Cancer Research Priorities.
- Commits to excellence and innovation at an international leading edge.
- Commits to rapid translation of research findings to clinical practice and policy.
- Focuses on the importance and the outcomes of the research.
- Supports the development, recruitment and support of excellent cancer researchers for NSW.
- Promotes, enhances or complements areas with existing outstanding research strength in NSW including molecular or cell biology, cancer genetics, clinical research, population research or addresses major cancer problems facing NSW.
- Promotes attainment of additional scientific depth by collaboration, co-location, amalgamation or research involving a number of research disciplines.
- Uses and strengthens key research infrastructure, platforms, technologies and research expertise to increase the productivity of research.

- Supports the development of links with key national or overseas research programs and industry.
- Develops the research culture within the NSW health system.
- Identifies the relevance of the research to NSW.
- Responds to National and State priorities and community opinions about research.

All research disciplines will be supported by the Cancer Institute NSW Cancer Research Program including behavioural, biomedical, clinical, epidemiological, health services, and psycho-social research unless otherwise stated within the individual program. The Cancer Institute NSW research programs are available in the NSW Cancer Plan 2007-10, found at the web site www.cancerinstitute.org.au

3. INTRODUCTION TO THE CANCER INSTITUTE INTRODUCTION TO THE CANCER INSTITUTE NSW RESEARCH INNOVATION GRANTS

- 3.1 Cancer Institute NSW Research Innovation Grants will provide opportunities for cancer researchers to start a research project and thus leverage funds from other agencies such as the NHMRC or charity funding bodies. Innovative research will be promoted across multiple disciplines of research for better understanding of the biology, aetiology, detection, prevention and treatment of cancer.
- 3.2 The projects supported by this grant scheme must be able to demonstrate, that if successful, sufficient data will be generated for the investigator to achieve ongoing substantive funding from other funding bodies such as NHMRC.
- 3.3 Projects will be, for example, pilot or feasibility studies, development of key research methodology and other innovative studies that provide a basis for further research projects or programs. Projects supported by this scheme will need to be carried out in a short period of time with limited funding and resources.
- 3.4 Research Innovation Grants will not support existing projects or programs. Preliminary data is not required in these applications.
- 3.5 Research Innovation Grants have a maximum of **TWO (2)** Chief Investigators named on the application. A Chief Investigator may only be named on **ONE (1)** Research Innovation Grant in each round.
- 3.5 The Cancer Institute NSW Research Innovation Grants are valued at \$50,000 for 1 year only. The funds may be used for personnel (not the Chief Investigator), equipment, analysis and/or consumables.
- 3.6 The Cancer Institute NSW Research Innovation Grants are open to researchers who are engaged in any discipline of research relevant to cancer, including but not limited to:
- Behavioural
 - Clinical
 - Health Economics
 - Biomedical
 - Epidemiological
 - Psychosocial
 - Health Services

4. OBJECTIVES

Cancer Institute NSW Research Innovation Grants have been designed to:

- 4.1 Promote innovative research across all disciplines of cancer research that will lead to better understanding of the causes, diagnosis, treatment and prevention of cancer.
- 4.2 Provide opportunities for cancer researchers to improve their competitiveness and increase their capacity to leverage funds from other agencies such as the NHMRC, ARC etc.

5. ELIGIBILITY

5.1 Administering Institution Eligibility

- 5.1.1 Applications will only be accepted from individuals whose grant will be conducted under the auspices of a University, Hospital or major research institution located within NSW.
- 5.1.2 The Administering Institution must have in place policies and procedures for the management of public funds; for the management of Intellectual Property; for the proper conduct of research in relation to ethics and good scientific practice, and will provide appropriate infrastructure support to allow the grant to be completed.
- 5.1.3 Must be registered with the Cancer Institute NSW and hold a valid Administering Institution Contact ID Number (AIC). AIC Registration Forms and contact details for existing AIC's are available at http://www.cancerinstitute.org.au/cancer_inst/grants/aic.html
- 5.1.4 The institution must provide a supportive environment for the grant in terms of infrastructure, track record of international competitiveness and mentoring opportunities for the applicant
- 5.1.5 A single institution must be nominated as the Administering Institution.

5.2 Applicant Eligibility

- 5.2.1 A Chief Investigator may only be named on **ONE** Research Innovation Grant submitted in this round.
- 5.2.2 Applicants may be located at one or more institutions in NSW.
- 5.2.3 Applicants must reside in NSW for the duration of the grant.
- 5.2.4 Applicants will hold relevant professional qualification.
- 5.2.5 Non Australian Citizens/Non Permanent Residents are eligible to apply. You will need to provide proof of residency to the Cancer Institute NSW if the application is successful.
- 5.2.5 Applicants must have the skills, knowledge, and resources necessary to carry out the proposed grant.
- 5.2.6 All obligations regarding previously funded projects involving the applicants must have been fulfilled to the satisfaction of the Cancer Institute NSW. Such obligations include the provision of satisfactory progress and final reports.

6. SELECTION CRITERIA

In awarding a Research Innovation Grants, the following criteria will be taken into account:

6.1 Scientific Quality (40%)

(Including the clarity of the aims and objectives, the strengths and weaknesses of the experimental design and feasibility)

6.2 Significance and/or Innovation (20%)

6.3 Track record (20%)

(considered in relation to opportunity, with regard to factors such as career interruption, administrative and clinical/teaching load, and typical performance (including publications) for the relevant discipline)

6.4 Consistency of the research with the broad research principles of the Cancer Institute NSW (20%)

7. REVIEW CONSIDERATIONS

- 7.1 Upon receipt, applications will be reviewed for completeness and for eligibility by the Grants Secretariat. *Late, incomplete or ineligible applications will not be accepted.*
- 7.2 The independent, interstate Cancer Institute NSW Grants Review Committee will score and rank applications based on:
- An assessment of merit against the stated selection criteria.
 - Consideration of independent assessor or referee reports if required.
- 7.3 Applications may be reviewed by appropriate independent assessors.
- 7.4 Recommendations for the award of Research Innovation Grant will then be made by the Grants Review Committee to the Board of the Cancer Institute NSW.
- 7.5 The lodging of an application does not confer any entitlement upon the applicant.
- 7.6 The making of a recommendation is totally within the discretion of the Cancer Institute NSW.
- 7.7 The Grants Review Committee requires its members and independent assessors to declare conflicts of interest and to withdraw from considering applications where such conflict exists.

8. ADMINISTERING INSTITUTION RESPONSIBILITIES

- 8.1 The Administering Institution is responsible for the administration of the funds in accordance with the executed agreement and accepts financial responsibility.
- 8.2 Payment of the funds will be made to the Administering Institution in accordance with the payment schedule in the executed agreement. Funds may only be used for the purposes as detailed in the application and approved by the Cancer Institute NSW.
- 8.3 It is expected that the grant will also be supported within the respective Research Institution(s).
- 8.4 It is the responsibility of the Administering Institution to ensure that appropriate ethical clearances are obtained before any research commences.
- 8.5 These Awards may be regarded as a “taxable supply” and therefore a Goods and Services Tax may be payable. The Award will be increased by 10% and the Administering Institution will be required to collaborate in the recovery of the GST component. The written agreement with the Cancer Institute NSW will therefore include the following clauses:
- *To the extent that the Supplier is liable to pay GST in connection with services supplied under this Agreement, the fees specified in this Agreement are inclusive of GST.*
 - *The Supplier will forward their Australian Business Number ("ABN") to Cancer Institute NSW at the commencement of the Agreement. Where no ABN is supplied, Cancer Institute NSW will withhold from any payments an amount of 48.5% in accordance with GST legislation unless appropriate documentation is provided.*
- 8.6 For the purposes of payments under this agreement, the Supplier (the Administering Institution is the Supplier) will provide invoices to the Cancer Institute NSW in the form of a GST Tax Invoice as prescribed in the GST legislation.

9. PERMITTED USE OF RESEARCH INNOVATION GRANT FUNDS

- 9.1 The purpose of the Research Innovation Grant is to provide funding up to \$50,000 for 1 year only and is not renewable

- 9.2 The funds may be used for personnel (not the Chief Investigator), equipment, data analysis and/or consumables.
- 9.3 The funds cannot be used for travel.
- 9.4 The Administering Institution must administer the grant and ensure appropriate infrastructure and support is provided to the applicant(s). The applicant(s) is responsible for negotiating the use of the funds with the Administering Institution. All funds must be spent on the direct support of the applicant(s) and his/her grant program.
- 9.5 Funds awarded shall not be used for any purpose associated with overhead infrastructure costs (i.e. institutional overheads or administrative levies).

10. CANCER INSTITUTE NSW POLICY DOCUMENTS

10.1 **Grants Administration Policy**

The Grants Administration Policy may assist those who are considering applying for, and those who hold, Cancer Institute NSW competitive grant support. It provides advice on eligibility and selection criteria, the application process, appeals, complaints, FOI, deeds of agreement, funding, monitoring and reporting and other specific policy issues.

10.2 **Grants Peer Review Policy**

The Grants Peer Review Policy provides information about the policies and governance arrangements for the peer review of competitive grant applications and the ongoing monitoring of the progress of competitive grant projects and activities.

These Policy Documents can be found at:

http://www.cancerinstitute.org.au/cancer_inst/grants/policies.html

11. REPORTING REQUIREMENTS

- 11.1 Recipients will be required to submit **Progress Reports** at the end of each calendar year (or part thereof) that includes information on the progress made in the Grant.
- 11.2 **Progress Reports** must be submitted to the Grants Secretariat by 31st January following the end of each calendar year (or part thereof). Report proforma's are available at http://www.cancerinstitute.org.au/cancer_inst/grants/reporting.html.
- 11.3 The Grants Review Committee reserves the right to recommend the suspension of a grant if progress is unsatisfactory.
- 11.4 Recipients will be required to submit **Financial Reports** at the end of each financial year that includes information on the expenditure of funds in relation to the Grant.
- 11.5 **Financial Reports** must be submitted to the Grants Secretariat by 31st July following the end of each financial year. Report proforma's are available at http://www.cancerinstitute.org.au/cancer_inst/grants/reporting.html.
- 11.6 The Grants Review Committee reserves the right to recommend the suspension of a grant if expenditure of funds is not consistent with the terms in the funding agreement.
- 11.7 Where a Grant recipient fails to submit satisfactory reports, as required, the Cancer Institute NSW may determine that funds have not been used in accordance with conditions applicable to the Grant, and that all or part of Grant must be repaid. In this case, the Cancer Institute NSW may withhold the remainder of the Grant payments for the current year or initiate recovery of the Grant money.

- 11.8 Recipients may be required to participate in and present at forum(s) at the request of the Cancer Institute NSW.

12. ACKNOWLEDGEMENT OF SUPPORT

- 12.1 All publications, media releases or presentation of results from research carried out with the assistance of a Cancer Institute NSW Grant must acknowledge the support of the Cancer Institute NSW.
- 12.2 Grantees must indicate their status as recipients of Cancer Institute NSW Grant support in scientific publications and programs of scientific meetings and in any other public connection.

13. PRIVACY AND CONFIDENTIALITY

- 13.1 Documents containing personal information will be handled and protected in accordance with the provisions of the Privacy and Personal Information Protection Act 1998. Personal information would be disclosed only with permission of the individual to whom it relates or where the Act allows.
- 13.2 Applicants consent to the information supplied as part of their application being disclosed for the purposes of the assessment of their application and for purposes connected with the making and administration of the Grant. Such disclosure includes, but is not limited to, disclosure to members of the Grants Review Committee, independent readers/assessors requested by the Committee to provide advice, and relevant employees of the Cancer Institute NSW and Government involved in the Grant process.
- 13.3 Applicants acknowledge that announcement of the successful applicant from this grant round will involve the dissemination of information to the public about the general nature of the grant funded including the lay description provided in the application, the funding awarded, the applicants involved in the grant, and the administering institution and any actual organisations at which the grant is being carried out.
- 13.4 Information contained in applications will be regarded as confidential.

14. INTELLECTUAL PROPERTY

Applicants must adhere to an Intellectual Property Policy approved by the governing body of the host organisation(s) that is congruent with the document “National Principles of Intellectual Property Management for Publicly Funded Research” released in September 2001: <http://www.arc.gov.au/>

15. CONFLICT OF INTEREST

All parties involved in or associated with Cancer Institute NSW funded proposals/projects are required to disclose to the Cancer Institute NSW, any conflict of interest which has the potential to influence, or appear to influence, the project and activities, publications and media reports, or requests for funding related to the proposal/project. Such conflicts must be disclosed to the Cancer Institute NSW at the time of the submission of a proposal, and in reporting on Cancer Institute NSW funded grants as soon as practicable after the conflict of interest is identified.

16. FUNDING AGREEMENT

- 16.1 All parties involved in a proposal should familiarise themselves with the standard Funding Agreement (available at www.cancerinstitute.org.au), but only the Administering Institution and the Cancer Institute NSW will be parties to the Funding Agreement. Parties involved in a funded project must accept the terms of the Funding Agreement and the Administering Institution must sign the Funding Agreement before payments commence.
- 16.2 Projects must commence as required by the Funding Agreement. Failure to do so may result in termination of the Funding Agreement.
- 16.3 Administering Institutions should note that the Funding Agreement covers post-award management, including reporting requirements and financial management. The standard Funding Agreement can be viewed on the Cancer Institute NSW's Web Site.

17. VARIATIONS TO THE FUNDING AGREEMENT

Requests to vary the Funding Agreement must be forwarded in writing by the Administering Institution to the Cancer Institute NSW. Forms are available on the Cancer Institute NSW's Web Site. Amendment of any clauses of the Funding Agreement will be at the Cancer Institute NSW's absolute discretion.
